

## Instructions for making Sydney Sheep Easter Box

### 1. You will need:

- A cubed tissue box
- Card A4 2 colours
- Template – print on card or paper or use free hand
- Glue- Pritt stick or similar
- Scissors
- Googly eyes
- Small or large bobble for nose
- Optional- decoration like bows, rhinestones, ribbon.
- Tissue paper
- Chocolates- Easter eggs or pens and pencils

2. Print or draw out the template pattern- if you cannot use card use paper to copy onto card or stick paper to a cereal packet or similar box

### 3. Prepare the tissue box-

- Make sure the box is empty of tissues
- On top where hole is cut diagonally into each corner.
- Remove extra plastic if there
- Fold down to inside each of 4 sides of box and stick to inside of box. You may wish to use pegs to hold in place. You will then have a square hole to put things in.

### 4. Preparing pieces-

- Using the pattern cut out all your pieces- body, face, two feet, two hooves, 2 ears and top hair.

### 5. Making Sydney Sheep.

- Check body fits inside your box- cut off small slivers if it does not.
- Attach both ears to front of circle for overlapping face and hang down sides.
- Stick hair over part of ears and top of face.
- Attach face to centre top of body piece.
- Stick two googly eyes and pompom nose on face
- Take foot and stick "heart" hoof within the foot circle.
- Stick feet with hooves to front of box
- Optional- decorate Sydney with bows, images, tattoos or jewels as you wish.
- Stick body inside the box back panel. Make sure you can see face and feet on same side!

### 6. Filling your box-

- Either put some bubble wrap or tissue paper in box and add Easter treats
- Or- fill with your pens and pencils
- Or come up with something you want to store (if a gift for mum she might use for her makeup and brushes.

Well done and enjoy your make – why not try one of the other patterns we have prepared- Coralie Chicken or Rearden Rabbit?
